

## Do you have plans for afterschool???

Do you want your children to finish homework **BEFORE** coming home?

**Do you want them coming home TIRED?**

With our afterschool program we offer daily homework room and planned physical activities. With our weekly themes (i.e. Hawaiian week, Football week), your child will participate in a variety and games, activities, and crafts.

During the school year we continue to rotate all of our mobile equipment: Rock Wall, Climbing Spider, & Jolly Jumps, giving your children the opportunity to enjoy a variety of extra activities.

Our weekly fee is reasonable and includes transportation.
