Thank you for choosing Coast to Coast Preschool for your childcare needs. We consider your decision a huge honor and a great responsibility.

We pray for each family that is sent our way. You are no exception!

This booklet will let you know more about Coast to Coast Preschool. It will explain the why and how of what we do. It will spell out important information and policies that you will need to know.

However, the most important thing that we would like to convey is this:

MISSION

We will provide safe and excellent pre-school education and care that makes a difference. What does that mean?

Safe - We recognize that the **safety** of your child is the most important thing. We will constantly implement procedures that will protect the environment for your child. Some examples are: staff screening and background checks, staff training, staff to child ratios, environmental safety, planned and prepared activities.

Excellent - The long-range goals for our preschoolers are to foster a love for learning, to develop problem solving skills, and to sharpen communication skills. We will use the South Carolina Curriculum Standards as our guide. We will use the ABeka Christian School Curriculum as a resource. Karyn Hensley's Bible Time and Creative Curriculum will also be used. Our preschool will include a variety of whole group, small group and individual instruction times. We will use calendar to give us real world applications with math skills. Students will also receive explicit phonics instruction daily integrated with shared reading and interactive writing. Studies show that preschool age students learn and retain information best when learning is integrated into play. We will use our daily center times to work with students on a variety of science, math, and literacy skills. Bible instruction is also a fundamental part of our instruction.

Difference -

- We are a Christian organization. We want to introduce your child to the foundations of the Christian faith, including a relationship with Christ. We have Bible story instruction and prayer daily.
- We believe positive social development and self-esteem are critical to learning positive behavior. It is our goal to create an environment where children are treated with respect and in turn are expected to treat others with respect.
- We will offer real life experiences to our students. Field trips, in class guests, and ministry projects will be implemented regularly throughout the school year.
- We teach the age-appropriate state-mandated standards to each child. This practice will ensure your preschooler is prepared for kindergarten.

If we are successful in these areas we will have succeeded in making a difference in the life of your child!

TOP SEVEN THINGS YOU NEED TO KNOW

1. Your Child's teacher will send home a weekly newsletter and a daily behavior chart. This will be in your child's daily folder. As this will be one of our main forms of daily communication, **please read and sign your child's behavior chart daily.**
2. Preschool instruction is from 8:00 am - 11:30 am daily. The doors open for early drop off at 7:30am. Late stay is available for an additional cost and is open until 6:00 pm. **All students need to be in their classrooms by 8am to prevent disruptions to the morning academic program.**
3. C2C Preschool follows the District 5 (D5) public school **K4 calendar**. Preschool will be closed on the same dates that the D5 Public Schools are closed. Camp care is offered by C2C Preschool on many of those days. Your child may attend camp days for an additional charge. We will also follow the inclement weather closings and delays for D5 Public School as well.
4. All students staying for late stay must bring a lunch box. If a child does not have a lunch, and a parent cannot be reached to bring one, a lunch will be provided for \$7.
5. During our summer camp program, if you have a vacation week available you can email Billing@c2ckids.com at least 5 days prior to the payment being drawn from your account to use a vacation week.
6. Coast to Coast Preschool does not give refunds.
7. We have nap time daily from 1-3pm. We do not offer another option for children. All children are required to lay quietly on their nap cots. We ask that there are no pick ups during that time unless you inform us ahead of time so we do not disturb the nap room.

Classroom Management and Behavior Expectations

- Each day preschoolers will bring home a behavior report. Please initial it and return it daily.
- Our classroom management focuses on a preventative approach to behavior problems in which preschool teachers will work to avert difficulties and conflicts by creating a supportive classroom environment and an orderly daily routine. When prevention fails, we will assist children in problem solving techniques. Teachers will model and support independent problem solving skills that encourage the children to make good choices during academic and social interaction.
- In the case that a student continues to make poor choices, a consequence will follow. The student may have natural consequences following the poor choice (i.e. if the student continually breaks his crayons...the student will not have crayons to use for the activity) If the natural consequences do not stop the poor choices, then more tangible consequences will follow: 1. Student may be removed from the group for 2-5 minutes. 2- Student will visit the Director and parents will be notified. 3- Parents

will be contacted to pick up their child.

- Coast to Coast Preschool reserves the right for its Directors to suspend a child from a program at any time for any length of time. If deemed necessary by the Director, a parent will be notified to come and pick up their child within thirty minutes.
- In the case that a child has been suspended a parent conference will be required before the child can return to Coast to Coast Preschool.
- **The Coast to Coast Preschool program is designed for children who want to cooperate and participate in activities. Each child's good behavior is imperative to the success of our programs. Children who are physically aggressive, defiant to authority, continuously disruptive in the classroom, etc. may be allowed to attend on a trial basis; however, we reserve the right to expel any child whose behavior hampers the positive experience for others without refund of fees paid.**
- Children will be sent home immediately if they bite another child or staff member.
- C2C Preschool will not use corporal punishment.
- The Coast to Coast Preschool discipline policy is designed to promote the development of self-direction, self-control, and socially acceptable behavior. This is accomplished through: sensitivity, consistency, firmness, fairness and follow through. We strive to maintain a loving and positive atmosphere and reinforce the structured boundaries required.

Disaster Plan

- In the case of an emergency or disaster, the following procedures will be implemented:
- All children will remain with Coast to Coast Preschool Staff on the premises if possible. If an emergency evacuation is required, all staff and children will relocate to our designated emergency relocation site (Upward Star Center 9768 Warren H Abernathy Hwy, Spartanburg SC), as listed on our Emergency Disaster Plan, for up to 72 hours unless an injury requires release to an emergency medical facility.

Greenville School Age Site (864)-529-9386 Ext. 4.

Any child with a fever of 100+ will be sent home. **If a child needs to be sent home, the parent or authorized person will be required to pick up the child within thirty minutes.** Please seek a physician's help when necessary.

Your child may return with a parent note after her first treatment with a school-approved lice-removal product, if there are no lice or nits in your child's hair. *****Please note- it is strongly recommended to use a lice comb in combination with the lice shampoo.*** A staff member will check your child 5 days after treatment for any newly hatched crawling lice. If there are any present, your child will be sent home and have to be re-treated for lice in order to return to Coast to Coast Preschool.
- If a child is involved in a minor accident while at school a "Parent Information Notification (PIN)" will be written and the parents will be notified at the time of pick up. If a physician's care is needed, parents will be contacted immediately and emergency procedures will be followed.

Transportation

Please Review These Guidelines With Your Child

- C2C Preschool classes will go on off-campus field trips. All of our vehicles are registered and maintained within the state DMV standards. Preschool will use both camp vans and camp busses.
- Signing the registration form allows C2C Preschool to transport your child on field trips without additional field trip permission slips.
- Students who are picked up from other morning programs will need to supply an appropriate car seat/booster seat for Coast to Coast Preschool to be able to transport them in a camp van.
- If a student is being transported in a camp van, the children must remain in their booster/car seat and not try to take off their seat belt or car seat restraints.
- If any child destroys property in the vehicles, the parent(s) will be held liable to replace the item(s) that were broken.
- Once children board a Coast to Coast vehicle, students may not yell, put their hands out of the

windows, or move around from seat to seat.

- Students may not eat or drink in vehicles, and food must remain in their lunchboxes.
- Coast to Coast Preschool Staff will take attendance before the bus leaves the preschool, and before the bus leaves the field trip location checking the beginning trip log.
