B. All capable adults in the household must be working or attending school during program hours.

Either mail all paper work to Camp or return it to the front desk. Please include any other documentation that may help in processing your application.

Selection Process:

Applicants will be required to interview with a Campership Counselor. Upon completion of the interview, applications will be screened for eligibility by the Camp Director and the Campership Counselor. Applicants will be notified of the decision by mail within three to four weeks of receipt of a completed application. All applicants who are accepted for a Campership will be asked to sign and return a Campership Agreement before aid can be received.

Limitations:

Some program activities have space limitations and others have limited financial assistance support due to the direct cost of providing the program. Financial assistance will be granted only to the extent which funds are available.

Funding:

Any person applying for a Campership may be asked to earn or pay a percentage of the program fees. Camp believes a strong sense of ownership is developed and a more positive experience realized if the financial assistance recipient has helped earn or assisted in the payment of the program fees.
